A great way to experience Florida’s Adventure Coast is to play her golf courses. Public and semi-private courses, along with five private courses, offer varied terrains and elevations that will challenge even the most experienced golfer, yet provide novices the fun and opportunity to learn and improve their game.

Par-72 courses as well as nine-hole executive courses present rolling hills, undulating fairways carved through old limerock quarries and breathtaking vistas in an area known as the Brooksville Ridge.

New in 2024, is Cabot Citrus Farms; formerly known as World Woods. Two new 18-hole courses, Karoo and The Roost, and two short courses, The Wedge and The Squeeze—will open for preview play in January 2024. Also coming in 2024: guest accommodations, dining options, racket courts, pools, clay shooting, and more for the entire family!

If you enjoy warm breezes, the scent of long-needle pine trees, and a gallery of wildlife, you’ll find the Adventure Coast’s golf courses links to paradise. From wide fairways to those requiring precision ball strikes, from a demanding bunker shot to the tap in on the green, there is a golf course for everyone on Florida’s Adventure Coast.
